

The Olympia 1280 Series

The 1280 series is lightweight (33 lbs.) and easy to carry for showing. Have them in your showroom for "on the spot" purchases. These machines are perfect for small businesses, home offices, schools and local government. With the high quality and high performance that Olympia provides, these units easily outrank the competition. Your guarantee of perfect privacy.

Features

- 9 1/4 inch working width to handle any business document
- Available in both strip cut and cross cut versions
- Compact - with front loading paper feed allowing convenient under-the-desk placement
- Fully automatic - completely user-friendly
- Separate opening for general waste - eliminating the standard waste basket
- Large waste basket easily emptied by pulling out toward the front
- Affordable data security
- Continuous duty motor - maintenance free
